

Licensed Vocational Nursing To Associate of Applied Science of Nursing Program Application (LVN to ADN)

Thank you for your interest in our nursing program at Texas Health School, which is approved by the Texas Board of Nursing. Nursing is an emotionally fulfilling and rewarding career. Success in the program takes a firm commitment from each student and Texas Health School takes great stride in helping our students succeed. We suggest you prepare well by reading all application materials thoroughly before submitting.

All applicants must meet with an Admissions Representative to complete a mandatory information session and must pass and submit documentation of the HESI A2 and the HESI Mobility post-exam scores to qualify for consideration for the LVN to ADN Nursing Program.

Attached is the LVN to ADN Nursing Program application. It is a three-part application that needs to be completed before submitting back to Admissions.

- Part I – Applicant information, employment, emergency contacts, education history, licenses/certification held, and professional references
- Part II – Eligibility Form – Criminal/Drug and Alcohol use history
- Part III – Physical Standards and Essential Functions

Complete each part of the application to the best of your ability. Please sign and date where signature is required. Admissions will not accept any application that is not completed in full. If you have questions, contact your Admissions Representative at 713-932-9333.

Applicant's Weekly Contact with Admissions Representative

In addition to the standard requirements for the LVN to ADN Nursing Program, once an application has been made, **the Applicant agrees to: 1) maintain updated contact information on file with the Admissions Office, and 2) make weekly contact with their Admissions Representative to be considered an active applicant.** If there is no contact between the Admissions Representative and the Applicant after one week and one day, the application will no longer be considered Active and the Applicant must contact an Admissions Representative to see if there is time to re-start the admissions process from the beginning.

APPLICATION – PART II
Eligibility Form

After you read the questions, please sign your name below indicating your knowledge of the questions. **For any criminal offense, including those pending appeal, HAVE YOU:**

- YES** **NO** Been convicted of a misdemeanor?
- YES** **NO** Been convicted of a felony?
- YES** **NO** Pled nolo contendere, no contest, or guilty?
- YES** **NO** Received deferred adjudication?
- YES** **NO** Been placed on community supervision or court-ordered probation, whether not adjudicated guilty?
- YES** **NO** Been sentenced to serve jail time or prison time?
- YES** **NO** Been sentenced to serve court-ordered confinement?
- YES** **NO** Been granted pre-trial diversion?
- YES** **NO** Been arrested or any pending criminal charges?
- YES** **NO** Been cited or charged with any violation of the law?
- YES** **NO** Been subject of a court-martial; Article 15 violation; or received any form of military judgment punishment/action?
- YES** **NO** Have you ever had any disciplinary action on a nursing license or a privilege to practice in any state, country, or province?
- YES** **NO** Do you have an investigation or complaint pending on a nursing license or a privilege to practice in any state, country, or province?
- YES** **NO** Do you have an unencumbered LVN license from the Texas Board of Nursing?

NOTE: You may only exclude Class C misdemeanor traffic violations.

NOTE: If you answered yes to any of the above questions. Please specify in detail below.

NOTE: Expunged and Sealed Offenses: While expunged or sealed offense, arrests, tickets, or citations need not be disclosed, it is your responsibility to ensure the offense, arrest, ticket or citation has, in fact, been expunged or sealed. It is recommended that you submit a copy of the Court Order expunging or sealing the record in question to our office with your application. Non-disclosure of relevant offenses raises questions related to truthfulness and character. (See 22 TAC §213.27)

NOTE: Orders of Non-Disclosure: Pursuant to Tex. Gov't Code § 552.142(b), if you have criminal matters that are the subject of an order of non-disclosure you are not required to reveal those criminal matters. However, a criminal matter that is the subject of an order of non-disclosure may become a character and fitness issue. Pursuant to Gov't Code chapter 411, the Texas Nursing Board is entitled to access criminal history record information that is the subject of an order of non-disclosure. If the Board discovers a criminal matter that is the subject of an order of non-disclosure, even if you properly did not reveal that matter, the Board may require you to provide information about any conduct that raises issues of character and fitness.

YES **NO** Have you ever had any licensing (other than a nursing license) or regulatory authority in any state, jurisdiction, country, or province revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew or otherwise discipline any other professional or occupational license, certificate, nurse aide registration or multistate privilege to practice that you held?

YES **NO** Are you currently suffering from any condition for which you are not being appropriately treated that impairs your judgment or that would otherwise adversely affect your ability to practice nursing in a competent, ethical, and professional manner?

YES **NO** Are you currently the target or subject of a grand jury or governmental agency investigation?

YES **NO** Within the past five (5) years have you been addicted to and/or treated for the use of alcohol or any other drug?

YES **NO** Within the past five (5) years have you been diagnosed with, treated, or hospitalized for schizophrenia and/or psychotic disorder, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?

YES **NO** *Are you currently a participant in an alternative to discipline, diversion, or a peer assistance program? (This includes all confidential programs)

NOTE: Any positive response will remain confidential and not subject to public disclosure unless required by law.

YES **NO** Have you ever been granted the authority to practice nursing in any country, state, province, or territory?

*Pursuant to the Occupations Code §301.207, information regarding a person's diagnosis or treatment for a physical condition, mental condition, or chemical dependency is confidential to the same extent

that information collected as part of an investigation is confidential under the Occupations Code §301.466. NPA 301.252, 301.257, and 301.452-469. Rule 213.27-30.

If your response is **yes** to any of the questions listed above, there is a **POSSIBILITY YOU MAY BE DENIED** the opportunity to take the licensure examination. You may need to submit a petition for "Declaratory Order" to the Board of Nursing. For information or guidance in this process to determine eligibility for licensure by examination, contact the Board of Nursing at (512)305-7400 or go to the web site: www.bon.state.tx.us. The "Declaratory Order" form can be accessed at <http://www.bon.state.tx.us/olv/forms.html>

I have read and understand the above statements. My signature below indicates all answers are truthful and accurate to the best of my knowledge.

APPLICATION – PART III
Physical Standards and Essential Functions

Texas Health School – LVN to ADN Nursing Program has established physical standards and essential functions to ensure that students have the abilities required to participate and potentially be successful in all aspects of the respective programs. Students are required to meet technical standards and essential functions for the LVN to ADN Nursing program as indicated below. If an applicant or student is unable to meet all of the outlined standards, he/she may be withdrawn from the program.

The student must demonstrate the following abilities:

Categories of Essential Functions	Definition	Example of Physical Standard (Not Limited to)
Observation	Ability to participate actively in all demonstrations, laboratory exercise, and clinical experiences in the professional program component and to assess and comprehend the condition of all clients assigned to him/her for examination, diagnosis, and treatment. Such observation and information usually require functional use of visual, auditory, and somatic sensations.	Visual (corrected as necessary) <ul style="list-style-type: none"> • Able to visually discriminate increment readings on syringes, sphygmomanometers, and other medical equipment. • Able to visually discriminate different colored objects. • Recognize and interpret facial expressions and body language. • Assess the environment at a distance. Auditory (corrected as necessary) <ul style="list-style-type: none"> • Recognize and respond to soft voices or voices under protective garb • Distinguish between normal and abnormal lung and heart sounds, evaluate blood pressure. Tactile <ul style="list-style-type: none"> • Palpate a pulse and detect changes or abnormalities of surface texture, skin temperature
Communication	Ability to communicate effectively in English using verbal, non-verbal and written formats with faculty, other students, clients, families, and all members of the healthcare team.	<ul style="list-style-type: none"> • Able to elicit information • Assess nonverbal communications • Transmit information to clients, fellow students, faculty and staff, and members of the healthcare team. • Receive, write, and interpret written communication in both academic and clinical settings.
Motor	Sufficient motor ability to execute the movement and skills required for safe and effective care and emergency treatment.	<ul style="list-style-type: none"> • Demonstrate adequate coordination, balance, speed and agility to assist and safely guard clients who are walking, exercising or performing other activities. • Move, adjust and position clients or equipment. • Able to provide emergency treatment to clients. • Lift up to 30 lbs.

		<ul style="list-style-type: none"> Stand for long periods of time (6-8 hours). Possess finger and manual dexterity necessary to manipulate equipment and to perform patient care procedures (i.e. starting IVs, dressing changes).
Intellectual	Ability to collect, interpret and integrate information and make decisions.	<ul style="list-style-type: none"> Read and comprehend relevant information in textbooks, medical records and professional literature. Measure, calculate, reason, analyze and synthesize. Utilize intellectual abilities, exercise good judgment and complete tasks, within required time limits. Retain information. Apply knowledge to new situations and to problem solving scenarios.
Behavioral and Social Attributes	<ul style="list-style-type: none"> Possess the emotional health and stability required for full utilization of the student's intellectual abilities, the exercise of good judgment, the prompt completion of all academic and patient care responsibilities and the development of mature, sensitive, and effective relationships with clients and other members of the healthcare team. Possess the ability to tolerate taxing workloads, function effectively under stress, adapt to changing environments, display flexibility, and learn to function in the face of uncertainties inherent in clinical settings with patients. Possess compassion, integrity, concern for others, and motivation. Possess the ability to demonstrate professional behaviors and a strong work ethic. 	<ul style="list-style-type: none"> Manage heavy academic schedules and deadlines. Perform in fast paced clinical situations. Display flexibility. Sustain professional activities for protracted periods under conditions of physical and emotional stress. Demonstrate emotional health required for full utilization of intellectual abilities and exercise of good judgment. Demonstrate integrity, concern for others, interpersonal skills, interest and motivation. Accepts responsibility and accountability for one's own actions. Develop mature, sensitive and effective relationships with clients and others. Comply with the professional standards of the Nurse Practice Act.

Qualified applicants with disabilities are encouraged to apply to the program. It is the responsibility of the applicant to contact the Admissions Office if they feel they cannot meet one or more of the physical standards listed above. Applicants can obtain more information on other programs Texas Health School offers in the medical field.

I have read and understand the aforementioned requirements and meet the physical standards and essential functions for the LVN to ADN Nursing Program as indicated above. I understand if I, as an applicant or student, am unable to meet all of the outlined standards, I may be withdrawn from the program.

Signature: _____ **Date:** _____

LVN to AND Nursing Program Checklist

All applicants **must** provide a copy of the following documentation:

Submit proof of three (3) Hepatitis B vaccinations.

a) Submit proof of three (3) previous Hepatitis B vaccinations.

OR

b) Submit proof of a Hepatitis B Titer (blood test) showing proof of immunity.

Submit proof of Tdap (Tetanus, Diphtheria, and Pertussis) immunization on or after your 18th birthday.

a) If you already received this, is it within the last 10 years? If so, bring in the records.

b) If it has been over 10 years, you must receive a new vaccination. Be sure it has the pertussis vaccination included.

Submit proof of Varicella:

c) Submit proof of two (2) previous Varicella vaccinations. Proof of illness will not count.

OR

d) Submit proof of a Varicella Titer (blood test) showing immunity. Titer is good for 5 years.

Submit proof of MMR (Measles, Mumps, and Rubella):

a) Submit proof of two (2) previous MMR vaccinations spaced at least 28 days apart

OR

b) Submit proof of an MMR Titer (blood test) showing immunity. Titer is good for 5 years.

Influenza Vaccination:

You must receive and submit proof of a yearly influenza (Flu) vaccination.

Covid Vaccinations

a) Submit proof of two completed Covid vaccines (Pfizer, Moderna)

OR

b) Submit proof of one completed Covid-19 vaccine (Johnson & Johnson)

Tuberculosis Screening:

a) Submit documentation of a received Mantoux TB (skin) test, also known as a PPD within last 12 months with a "Negative" result.

b) If skin test came back "Positive", you'll need to get a chest x-ray (good for 2 years) or a serum Quantiferon-Gold TB (blood) test (good for 1 year) with "Negative" result.

- c) What if the healthcare provider tells me I should have the Quantiferon-Gold TB test instead of the skin test? Your healthcare provider may recommend you have the Quantiferon –Gold TB (blood) test instead and this is OK.

Meningitis:

- a) If you are under the age of 22, you must obtain a bacterial meningitis vaccination **10 days before** the first day of the course.
- b) If you are over the age of 22, not required. If you have documentation, please submit.
